

Customer Copyright Notice

(1)

If you did not take a photo
you do not have the right to reproduce
or copy it.

(2)

It is illegal to copy or reproduce any
photographs, art or publications for which
you are not the creator without express written release
from the creator.

(3)

Images do not need to bear a copyright
mark in order to be protected.

(4)

Fines of up to \$100,000 per copy are common
for copyright infringement.

(5)

By submitting your order you are representing
that you are the owner of the rights to all images or
compilation of images in your order and further
that you release Porter's from any liability.

(6)

Porter's reserves the right to question or
reject any works submitted.

If you have further questions on how to obtain a copyright release please
contact one of our sales staff.

We will be happy to provide you with a form that will
assist you in acquiring the releases you need.
